FADE UP

Back to Henrietta in
White Rock.

Wasn't that lovely and to think
Elvis has been working for
McDowell in Langley since '77.
Poor Devil.

Well, I suppose it was better
than being regional service
manager for John Blunt. At
least he lasted longer.

Now's there are some other
special guests who want to
bring greetings on this
occassion. Let's go to
London where I am pinning
a corsage on the Queen.
